

EARLY YEARS SEND OUTREACH SERVICE

Are you struggling with a child and can't find any help?

SAND Training & Outreach can offer support for practitioners working with children with SEND or behaviour that challenges.

Do you need support with the following?

- Specialist resources and teaching strategies
- Improving outcomes
- Children who display unwanted behaviours
- Positive Mental health and wellbeing
- Reducing exclusion
- Measuring progress
- Enabling effective communication and interaction
- Supporting physical needs

We can provide:

- Day visits
- Bespoke daytime/ twilight training
- Telephone advice and signposting

We are passionate about providing support for early years settings, and pride ourselves on being able to draw on the wide range of experience that our staff from within the Trust have to offer.

As part of our **SEND Outreach Service** we can offer bespoke training for settings, assessments of the needs of individual pupils, whole SEND reviews and support to manage identified pupils with challenging behaviour.

All support is tailored to individual children and settings. We also welcome opportunity to provide local training for groups of settings.
