

SEND OUTREACH SERVICE

Are you struggling with a pupil and can't find any help?

SAND Training & Outreach can offer support for practitioners working with children with SEND or behaviour that challenges.

Do you need support with the following?

- Specialist resources and teaching strategies
- Improving pupil outcomes
- Pupils who display unwanted behaviours
- Positive Mental health and wellbeing
- Reducing exclusion
- Measuring progress
- Enabling effective communication and interaction
- Supporting physical needs

We can provide:

- Day visits
- Bespoke Twilight training
- Bespoke Inset training
- Telephone advice and signposting

We are passionate about providing support for mainstream settings (as well as SEND), and pride ourselves on being able to draw on the wide range of experience that our staff from within the Trust have to offer.

As part of our **SEND Outreach Service** we can offer bespoke training for schools, advice on curriculum development, assessments of the needs of individual pupils, whole school SEND reviews, leadership mentoring and support to manage identified pupils with challenging behaviour.

All support is bespoke to individual children and schools.
